

A History Of Us Making

A History of US is a ten-volume (and one sourcebook) historical book series for children, written by Joy Hakim and first published in its entirety in 1995. The series is published by the US branch of Oxford University Press and is currently in its third edition. Originally conceived as a trade children's series, the books quickly found fans among classroom teachers; in response to the prompting of educators Oxford University Press developed ancillary teaching materials to accompany the series.

The history of the United States is what happened in the past in the United States, a country in North America. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain.
